Anne,

I didn't see that Bob is in today – do you have the current list of the San Jacinto PRPs?

Thanks,

I understand that you can assist with providing the PRPs for the San Jacinto Waste Pits SF Site. I need this list so I can forward it to the contracting officer to ask the contractor to perform a Conflict of Interest Certification. The RPM has requested that a work plan be developed for work at this site. I would appreciate the information as soon as possible if that is something that can be provided quickly. Thanks. renA
